

Technical Data Sheet

Putzmeister M760 DH Gen 4

UKSGP welcomes the **New M760 DH Fourth Generation** pump for our hire fleet. With the new state of the art control panel, low noise level and diesel consumption this is perfect for the large construction site with up to 50 stories or 200m horizontal discharge.

Technical Data

M760 DH

Machine model	M760 DH
Output	4m ³ /h
Compressor	5.0 m ³ /min, switch off pressure 8 bar
Engine	4 cylinder Deutz diesel engine, 46kW at 2,600 rpm,
Engine power	46kW
Engine Rotations	2600UpM
Filling Height	820mm
Weight	1720Kg
Length	4780mm
Width	1480mm
Delivery Width	200m
Delivery Height	200m
Fuel	Diesel
Fuel tank Volume	60l
